Metro buses

Metro buses travel between Hobart’s Franklin Square and the University approx. every 10-20 minutes (until ~5pm then 20-60 minutes). Residents usually carry a travel card so it’s probably a good idea to carry correct change if you’d like to purchase a ticket from the driver.

Cost: Adult fares $2.80 single trip. A day pass (“day rover”) can be purchased for $5.00 but only if your first trip is after 9:00am.
